*Oaked Acadian* starts with our agricole-inspired rum, distilled from cold press Louisiana sugar cane juice. Aging the spirit in our own used rum barrels adds balanced notes of vanilla, banana, mango and spice. Made for smooth sipping and easy mixing, enjoy *Oaked Acadian* neat, on the rocks or in any cocktail featuring aged spirits.

## OUR PROCESS

At Three of Strong Spirits, we don't take short cuts. We'd rather do things the right way rather than the easy way. It's how we've crafted each of our pure, rich, drinkable rums.

*Oaked Acadian* starts in the cane fields of Louisiana. We recognize the historical suffering and inequities that have clouded the production of this powerful crop, so we partner with a supplier working exclusively with multi-generational farmers of color to source the cold press sugar cane juice for this rum. The juice is flash frozen just after it is pressed and shipped to our Portland distillery.

Then our master distiller, Graham, runs each small batch of *Oaked Acadian* through our Maine-built copper pot still two times. Graham relies on over 20 years of experience to make precise distillation cuts that enhance the delicate flavors and aromas developed during fermentation.

At this point, we rest *Oaked Acadian* in our own used rum barrels giving it just the right amount of time to smooth and mellow. We don't add any extra sugar or coloring, proofing to a smooth 90 and allowing the balanced complexity of this aged cane juice rum to shine through in every glass.

## OUR STORY

Three of Strong Spirits is based in a converted warehouse in the bustling East Bayside neighborhood of Portland, Maine. We believe that there are no shortcuts when it comes to producing super premium spirits. We use our vibrant tasting room as the testing ground to create small batch offerings that can stand on their own but also play well in cocktails.
