'Chando 12 is the rich color of toffee in the glass, with an aromatic nose of leather and coffee, opening with flavors of dried fruits and a long, smooth finish of caramel and vanilla. 'Chando 12 can be enjoyed like a premium bourbon—neat, on the rocks, or in spirit-forward cocktails.

## OUR PROCESS

Three of Strong Spirits is proud to be the only importer in the United States offering this world-class sipping rum sourced from a family distillery on the Caribbean coast of Colombia. Like Three of Strong, our Colombian partners are committed to producing quality spirits without the use of artificial flavorings or color—nothing comes between the cane and the glass.

The rum starts with Grade A molasses, column-distilled under the supervision of a maestro ronero with over 40 years of experience that began with cutting cane by hand in Cuba. The spirit then rests for twelve years in ex-bourbon barrels under the Caribbean sun. We ship the rum at barrel strength to the Three of Strong distillery in Portland, Maine. When it arrives, we proof the rum with crystal clear Sebago Lake water, giving the spirit time to smooth before we bottle and ship it.

## OUR STORY

Three of Strong Spirits is based in a converted warehouse in the bustling East Bayside neighborhood of Portland, Maine. We believe that there are no shortcuts when it comes to producing super premium rum. We use our vibrant tasting room as the testing ground to create small batch spirits that can stand on their own but also play well in cocktails.
